

BARTRAM TRAIL SOCIETY of FLORIDA, Inc.
Membership Application

"Preserving, Promoting, and Enjoying our Bartram Heritage"

The Bartram Trail Society of Florida, Inc. is committed to historic and environmental education, recreation, and preservation and works to promote interest in developing public access recreational trails (paddling, hiking, and biking) and related activities along the routes taken by John and William Bartram through Florida and to coordinate a state-wide unified effort toward that end. The Society works to encourage the study, preservation and interpretation of the William Bartram heritage.
